Karnataka's new industrial policy to push value of mobile ...

The New Industrial State stands as the most developed exposition of Galbraith's major themes. Examining the giant postwar corporations, Galbraith argued that the "technostructure" necessary for such vast organizations—comprising specialists in operations, marketing, and R&D—is primarily concerned with reducing risk, not with maximizing profits; it perpetuates stability through "the ...

The New Industrial State - Princeton University Press

With searing wit and incisive commentary, John Kenneth Galbraith redefined America's perception of itself in The New Industrial State, one of his landmark works. The United States is no longer a free-enterprise society, Galbraith argues, but a structured state controlled by the largest companies. Advertising is the means by which these companies manage demand and create consumer "need" where ...
